

SUSTAINABLE STREET TOUR @ Garland Road

Getting The Most From Your Self-Guided Tour

60 Our hosts' house numbers – they're here to talk with you today

Look for these black-board signs in front of every host house

Newton's 4OurFuture program identifies four key climate-friendly actions for residents:

-  Maximizing Insulation
-  Heat Pump
-  Solar System
-  Electric Vehicle

The actions that hosts have taken are shown on the map next to their house numbers.

 Visit a tent and set up your free Newton Energy Coach session

An initiative of Garland Road residents in partnership with Newton's 4OurFuture program
